About Us

Sr. Ozzy's Tacos y Mariscos is revolutionizing the way Americans enjoy Mexican food! One night, as he returned home from work, Osiel Perez told his family he wanted to open his own business. Everyone thought he was crazy, but he didn't let that stop him. In a short time, he purchased a food truck, created an original menu, and opened his restaurant for business! Osiel never thought he'd have his own brick-and-mortar location, but as demand for his food increased, Sr. Ozzy's Tacos y Mariscos had to expand just to keep up! Now, we want to franchise so people all over the country can try our authentic Mexican flavors.

Opportunity

Sr. Ozzy's Tacos y Mariscos is a quick-service restaurant that specializes in serving both traditional and original Mexican fare! In our menu, you can find classic dishes such as tacos and burritos, as well as original seafood and sushi creations. We aim to create an enjoyable and memorable dining experience for every customer with fresh food, affordable prices, and excellent service!

Offering

We're offering a storefront franchise opportunity. The total initial investment can range from \$270,000 to \$485,500, which includes a one-time franchise fee of \$35,000. Franchisees will be granted an exclusive territory the lesser of a 3-mile radius around the store or a population of 30,000.

This investment also includes business licenses and permits, furniture, computer equipment supplies, grand opening advertising and everything in between that will enable a successful business. The majority of your investment will go towards construction and lease holding agreements.

Training

Your investment in a Sr. Ozzy's Tacos y Mariscos franchise will grant you access to our comprehensive training program, which consists of a 7-hour long classroom section and a 106-hour long on-the-job section. Our training modules will cover vital topics ranging from marketing and advertising to food preparation and will prepare you to operate your franchise professionally and profitably.
